ISUZU D-MAX **WORKMAN+**

Making waves in the working world, the limited edition Isuzu D-Max Workman+ with manual transmission brings that little bit extra to your working day. This is practicality PLUS, comfort PLUS and style PLUS, working hard has never looked so great.

Based on the manual 4x4 Utility Double Cab and boasting a range of exciting and elevated new features, the Isuzu D-Max Workman+ goes the extra mile to ensure your working day goes without a hitch.

It features 18" alloy wheels together with locking wheel nuts and a full-size spare alloy wheel, meaning the Workman+ is ready to knuckle down and help you reach your destination while offering a stylish, as well as functional aesthetic.

It's the perfect workmate, with a reversing camera that helps you to manoeuvre in confidence. Featuring side steps, DAB radio, rear load liner and tow bar complete with 13 pin electrics, you've got everything you need to get the job done.

The perfect companion to a tough day's graft, the Workman+ delivers everything you'd expect from the gold standard of a working vehicle.
